## National News—1965

**1** *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

**2** *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

**3** *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

**4** *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

**5** *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

**6** *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

**7 After Surgery**—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

**8 Proud Student**—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

**9 Blackout**—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

**10 New Ambassador**—Arthur Goldberg was named U.S. Ambassador to the United Nations by the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

**11 Startling Fashions**—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

**12 Royalty on Tour**—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Presents

THE

BLACK QUILL

Blackduck High School

Blackduck, Minnesota

# Foreword

Another school year ends. For some this is just a necessary means by which to accomplish a final goal--graduation. For the seniors, this goal has already been accomplished. They have walked through the halls of BHS for the last time as students, and by doing so, they have become a part of its history.

It is this history that we, the 1966 Black Quill staff, hope to capture and preserve in this year-book. For the seniors, this will be a final testimony of the study, the work, the excitement, the frustration, the hopes, and the friends that they have shared together throughout their senior year.

It is our hope that these experiences and associations will serve as a basis upon which to build our future and also, in our later years, as a memoir of our youth.

Title

# Dedication

The Senior Class of 1966 are proud to dedicate our annual to Mr. A. Morris Gorden, our friend, adviser, and admired teacher. Through his profound interest in teaching and interest in our community, he has inspired us to become better students and citizens.

After graduation from the Big Falls High School in 1937, Mr. Gorden entered the University of Minnesota where he received a Bachelor of Science degree in 1941. He completed additional study summers at Minnesota; University of Minnesota, Duluth; South Dakota School of Mines; and at Bemidji State College from which he received a Master of Science degree in the summer of 1964.

Mr. Gorden came to Blackduck in May, 1941, and taught agriculture then and the next year. In 1943, he married Miss Doris Morehouse, a Blackduck third grade teacher. They have three sons: Marc, a senior at the University of Minnesota; James, a Blackduck senior; and Andy, a freshman at Blackduck High School.

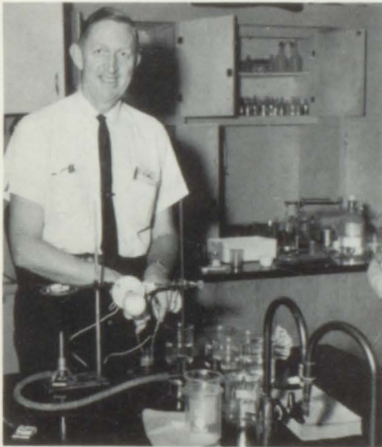

After three years in the army, 1943-46, Mr. Gorden returned to Blackduck teaching agriculture and general science. He has dropped agriculture and now has classes in chemistry, consumers' math, algebra, and senior math.

1951 saw the Gordens in Big Falls where he owned and operated a Red Owl Store. In 1958 they returned to Blackduck, he to teaching high school and she to elementary teaching remedial reading.

A year's leave of absence and a grant from the Institute of the National Science Foundation in 1963 enabled Mr. Gorden to study at the University of North Dakota.

Showing his interest in civic affairs, Mr. Gorden is a member of: the Masonic and the Elks Lodges; Headwaters Shrine Club; Aad Temple of Shrine, Duluth; Blackduck Legion Post, as past commander; Blackduck V. F. W. Post, as past commander; Scoutmaster, five years; Explorer Scout adviser, two years; Summer Blackduck Recreation Director, 1965; Golf Club, vice-president now and tournament manager for many years; Stamp collecting, rock collecting and polishing, hunting, fishing, golf, and bowling are the many hobbies which Mr. Gorden enjoys. His sons join their father in many of these.

The Gordens are members of the First Presbyterian Church where the whole family sing in the choir. Mr. Gorden, an elder, also belongs to the Men's Club of the church having served as president and secretary.

Mrs. Gorden, James, Andy, Marc, Mr. Gorden

## Acknowledgment

On behalf of the class of '66 we, the Black Quill staff, wish to thank all our advertisers for their financial cooperation; Mr. Cooper for his painstaking efforts and excellent work in taking all our pictures; Mr. Matthew for the use of his typewriter; and the school for the use of the Polaroid. A special, sincere thanks goes to Mrs. Mabel Gilstad for her patience, guidance, and moral support. Without her time and cooperation, this annual would never have been completed.

## World News—1965

**1 Humanitarian Dies**—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.
