Blackduck High School

Foreword

This has been the first year that the Black Quill has included all of the school activities up to Commencement. We hope that this will give a better insight to what goes on in Blackduck High School. We, the staff of the Black Quill, hope that we have been able to preserve memories of this year for all of the students, but for the seniors, especially.

DEDICATION

After graduating from Hamline University in St. Paul, Mrs. Mable Gilstad served as principal in a secondary school in North Dakota. She came to this school in 1927 as principal, a position she held until 1930. She also taught English and served as a part time librarian.

Mrs. Gilstad left the teaching profession for a period after her marriage. She has two daughters, Audrey and Norma, and a son, Clarence. She also has nine grandchildren.

Mrs. Gilstad returned to the Blackduck high school system in 1945 and taught English. Later, she taught Spanish, social studies, and speech, and again served as part time librarian. She became a full time librarian and served in that position until her retirement in 1967.

Mrs. Gilstad retired with 46 years of her life dedicated to education, 17 as a student and 29 as a teacher.

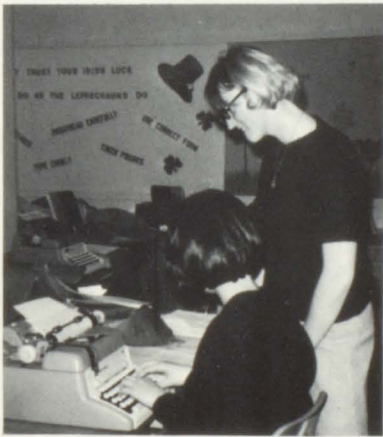

Mrs. Gilstad advised every Black Quill staff since 1951. Without her patience and knowledge many of the yearbooks would not have been as fine as they were. The Black Quill staff of 1967 is personally indebted to her. We know that all will miss her and that we will never forget her.

Secretary, Pam Dufseth; Treasurer, Ella Cross

The Pep Club is Blackduck High School's newest organization. It was organized this year to promote good sportsmanship and school spirit.

Its members have taken an active part in school athletic events. The Pep Club members sponsored Pep Fest skits and an after-game dance for members of the student body.

President Bob Goodwin attended a Student Council Workshop in Bemidji last summer. Staying on the Bemidji State College campus, he participated in a week of discussions and lectures designed to help him become an effective officer in the Student Council.

In October, 1966, the Student Council attended the Northern Division Minnesota Association of Student Councils convention at Bagley. Members from our council led three discussions pertaining to Student Council problems. During this convention we campaigned for the office of President School of the Northern Division MASC and won. It is now our job to plan next year's convention which will be held at Blackduck. Committees were set up to inform all the schools of the area of our convention and to ask for their attendance.

In November, the State MASC convention was held at Bemidji. Scott Palmer and Bob Goodwin represented Blackduck. Its theme was "The Leaders of Tomorrow". Through various discussion groups, assemblies, and skits, the delegates gained information on projects, problems, and duties of student councils throughout the state.

Election to National Honor Society is a great honor for a high school student. All members are chosen on the basis of these four qualities: character, leadership, scholarship, and service.

Installation of the new members was held on May 2. The guest speaker was Mr. Ernest Ashley, a former faculty member who is now teaching at Bemidji State College.

The main project of our chapter of National Honor Society this year was to honor a Student of the Week for his or her outstanding work in a department or organization of the school.
