# Foreword

The annual staff of 1967-68, is proud to present the Black Quill, a record of this years school events. Although not entirely complete, it does contain most of the school activities for this year.

For making the publication of the Black Quill possible we, the staff, would like to thank the administration, the faculty, and the students of the Blackduck High school. We would also like to thank Mr. Cooper, of Cooper's Studio in Bemidji, for his cooperation and patience in the taking of many of our pictures.

# DEDICATION

The Senior Class of 1968 proudly and sincerely dedicates the Black Quill to Mr. Arlyn Stomberg.

Mr. Stomberg has taught at Blackduck for ten years. He taught Social Studies for nine years and this year is our elementary principal.

Mr. Stomberg graduated from Red Lake High School in 1942. He grew up in Redby, and so he has lived in this area nearly all his life. After graduation from high school he enlisted in the Navy and served from 1943-46. When he returned from the Navy, he attended Gustavus Adolphus College, graduating in 1949 with a B.A. degree. From there he went on to Bemidji State College and graduated in 1951 with a B.S. degree. He has also done graduate work at B.S.C.

After graduation from college, he taught in Federal Dam for six years and came to Blackduck from there.

Hunting is his favorite hobby and pastime, and his one big dislike is large cities.

The Stombergs have three children: Richard, a freshman; Robin, fifth grade; and Laurie, first grade.

Mrs. Stomberg, Richard, Laurie,

Robin, Mr. Stomberg

FFA-SOIL JUDGING TEAM

The FFA chapter has been very active during the past year. It has sent dairy, general livestock, and land judging teams to district and regional contests. Delegates have been sent to the State FFA Convention. This year, as in every year, chapter members applied for the Minnesota Farmer Degree, the highest honor the FFA State Association can bestow on a member. The chapter's parliamentary procedure team has also taken part in contests with teams from other schools. As a public service this year, the chapter sent fifty dollars to Camp Courage to help crippled children and children with speech defects. The FFA also sponsored a Christmas drive for the mentally retarded, with the help of the local merchants.

## In Review INTERNATIONAL EVENTS

1. British hippies claim that their aim is different from that of American hippies... they don't want to "drop out" of society, but to stay in and change it.

2. French President Charles DeGaulle stirred up a lot of controversy during 1967—here he explains why he feels Britain should not be a Common Market member.

3. Soldiers of the U.S. 4th Infantry Division rest atop Hill 1338 following a fierce battle with the North Vietnamese for the hill in the Dak To area.

4. Israeli soldiers fly their flag from a mosque in the Sinai desert captured by the Israelis during the short-lived Arab-Israeli war in June of 1967.

5. Waving red-colored booklets of Mao's quotations, pro-communist Chinese swarm in front of the Governor's House during May demonstrations in Hong Kong.

6. Mrs. Svetlana Alliluyeva, daughter of the late Soviet dictator Joseph Stalin, was a bit surprised that her defection created so much stir in the U. S.

7. In June, Soviet Premier Alexei N. Kosygin came to the United States to address the UN about the Arab-Israeli war and later talked with President Johnson.

8. An Army vehicle bears the casket of former West German Chancellor Konrad Adenauer from Cologne Cathedral, April 25, following a Requiem Mass.

9. Suits came back into fashion during 1967. This one was designed by Lito Manalang for a young fashion house, the year-old British Moderns of New York.

10. This wide angle view of the moon's hidden side was taken on August 6, 1967 and transmitted back to the Jet Propulsion Lab in Pasadena, California.

11. Heavy monsoon rains turned most of South Vietnam into a quagmire during the summer of 1967. Here, U.S. marines prepare to board a Chinook helicopter.

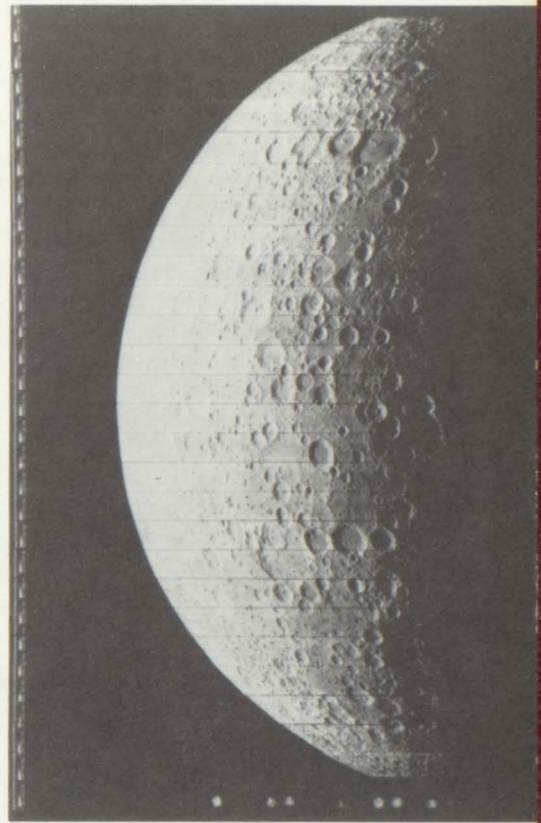

12. President Johnson, shown here in Vietnam, staunchly defended the nation's participation in the Vietnam war despite widespread protests and demonstrations.
