THE BLACK QUILL

FOREWORD

Some are looking back over twelve "long years" and breathing a sigh of relief. Others are looking ahead excitedly for new goals to attain.

Never have students had such opportunities to broaden their knowledge as the students of today. Never have there been greater challenges than lie before the graduating student.

We, the Black Quill Staff of 1971, have chosen as our theme "We've Got A Lot To Give". It is our great privilege to be studying in a free country where we are able to give of ourselves. Truly we have a "lot to give".

The Blackduck High School Student Council is a form of student government, which meets about once a week. They discuss and solve problems that lie within the student body and are related to school policy.

In the fall they attended the District Student Council Convention. They also sent two delegates, Fred Kiewatt and Stanley Becker, to the State Student Council Convention, which was held at St. Paul Harding High School on November 12-14, 1970.
