DEDICATION

The senior class of 1983 proudly dedicates The Blackquill to Mr. Donald Hanson. Mr. Hanson attended Nevis High School and then went on to Macphail College of Music. He came to Blackduck in 1950, taught choir and band for 25 years and is presently the band director.

Mr. Hanson has presented to the school and community many enjoyable concerts during his years here. We are very proud of his accomplishments with various music groups at the many contests they have attended, and wish to thank him for his guidance toward our better appreciation of music.

Mr. Hanson is married and his wife, Lois, teaches elementary music. They have four children, Christine, Luann, Gregg, and Brian; and three grandchildren.

As the class of 1983 approaches graduation, we look back and are saddened by the loss of two classmates, Frank Biberg and Scott Beighley

Scott passed away at the end of our Freshmen year

The chair where he sat is an empty one now
The books he once used are now in their shelves
The locker he filled is vacant and bare
but we still remember when Scotty was there
And though his smile is just a memory,
just a part of our past
The friendly memories that we have for him
will always, always last

Frank passed away in our Junior year

He will always be remembered for his quiet manner and friendly smile. A memory that will be kept fondly in our hearts as we continue on through life.

EXCHANGE

STUDENT

The class of 1983 was honored with the presence of a foreign exchange student from Rauma, Finland. Her name was Elina Vainio.

Elina has an older brother, Ilkka. Her father teaches English in a secondary school and her mother is a mid-wife in Rauma hospital. Her family's hobby is traveling, which helped her decide to come to the U.S. Elina participated in such school activities as volleyball and FHA. Her hobbies include horseback riding, knitting, baking, and playing piano. She has studied English, Swedish, and German.

During her stay she resided with the Lowell Trimble Family.

Elina has become a close friend of many of us here at BHS. We would like to wish Elina the "Best of Luck" in her future.

The 1982 football team suffered through the worst season in the history of Blackduck football with a 3-6 record.

The season was highlighted by the 14-6 victory over Warroad which gave Mr. Sonnek his 100th victory.

The team was a sophomore dominated club with even a few freshman seeing extensive action so the future looks bright for "the Duck."

All Conference choice was Mike Paddock with Brad Toft receiving honorable mention.

The 1982-83 Drakes volleyball season came to a close on November 4, in the finals of the District 29 Tournament. The Drakes entered the tournament rated second. They finished the season with a record of 18-3, including 13 regular season wins and one loss, taking second out of 16 teams at the Pequot Lakes Tournament. They placed second in the conference, and second in District play. Two members of the Drakes were honored by being picked to the all-conference team. They were Susan Nipp and Bonnie Nipp. Joan Floura received honorable mention.

Mr. Johnson commented, "this season was especially enjoyable because the girls had a very positive attitude, combined with intelligent play-making desire, and consistent team balance."

PAT

The captains this year were Pat Spencer and Grant Mistic. These two guys showed the energy and spirit it takes to make good captains and good leaders. They were not only talented basketball players, they were also good sports. Two traits that are not often found together. The seniors of 1983 wish the best of luck to next years captains. You have a hard act to follow.

There are a lot of good things that can be said about this years girls basketball team. First of all they worked together as a team, no one girl "made" them a good team. Not only were all of the starters good, but we also had good depth on the bench. Through their desire to win, their terrific free-throwing, and intelligent plays the girls ended their regular season with a record to be proud of. They finished third in conference and were rated third in district. With an overall record of 13-4. A record any team should consider quite an accomplishment.

Billy Verbich has shown much hard work and dedication throughout the years, which has won him a spot on the varsity since seventh grade. Both of these guys deserve appreciation for a job well done.
