# Anything but Trivial

The class of 1985 is proud to dedicate the Blackquill to Mr. Jack Penn.

In 1968 Mr. Penn graduated from Mankato High School. He graduated from Mankato State University in 1972 with majors in math and chemistry. Since the fall of that year, he has been employed at Blackduck High.

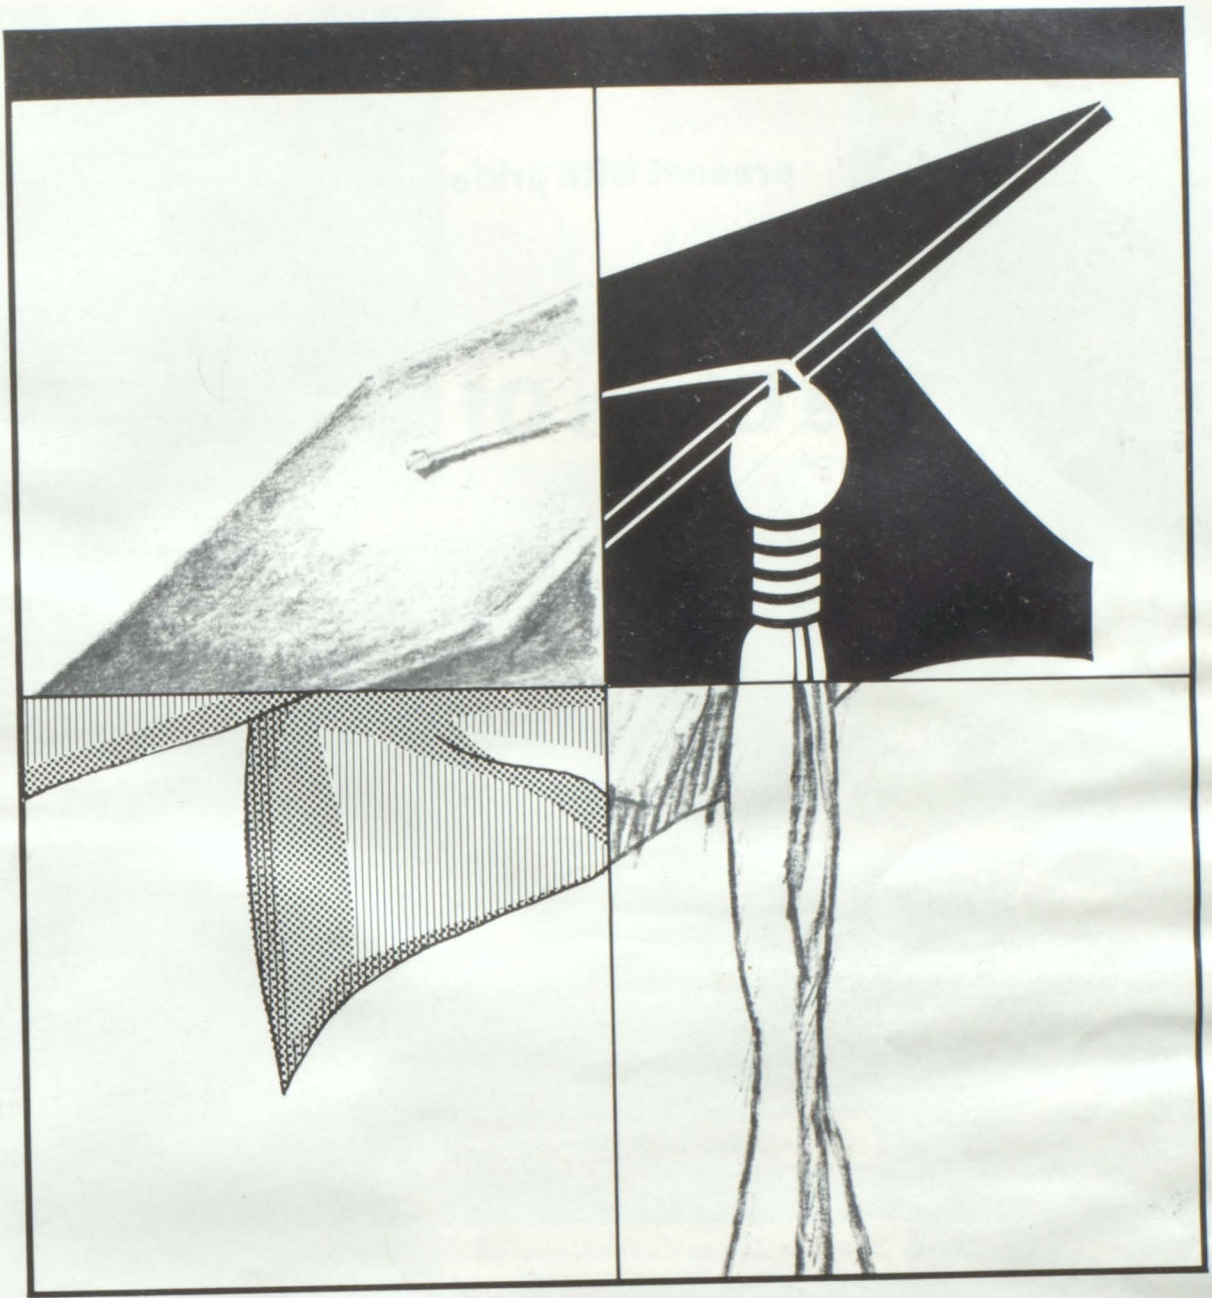

Mr. Penn lives south of Blackduck on South Twin Lake with his wife Nancy and daughter Lindsey. He can generally be found outdoors hunting, fishing, or working on his house. Other activities include card games, brain-teasers, such as Trivial Pursuit, or matching his wits against one of his students in backgammon or chess.

For 10 of his 13 years at Blackduck High he has been working with computers, and since his employment, he has been in our math department.

The seniors would like to thank him for his patience and understanding.

WISH THERESA WERE HERE!

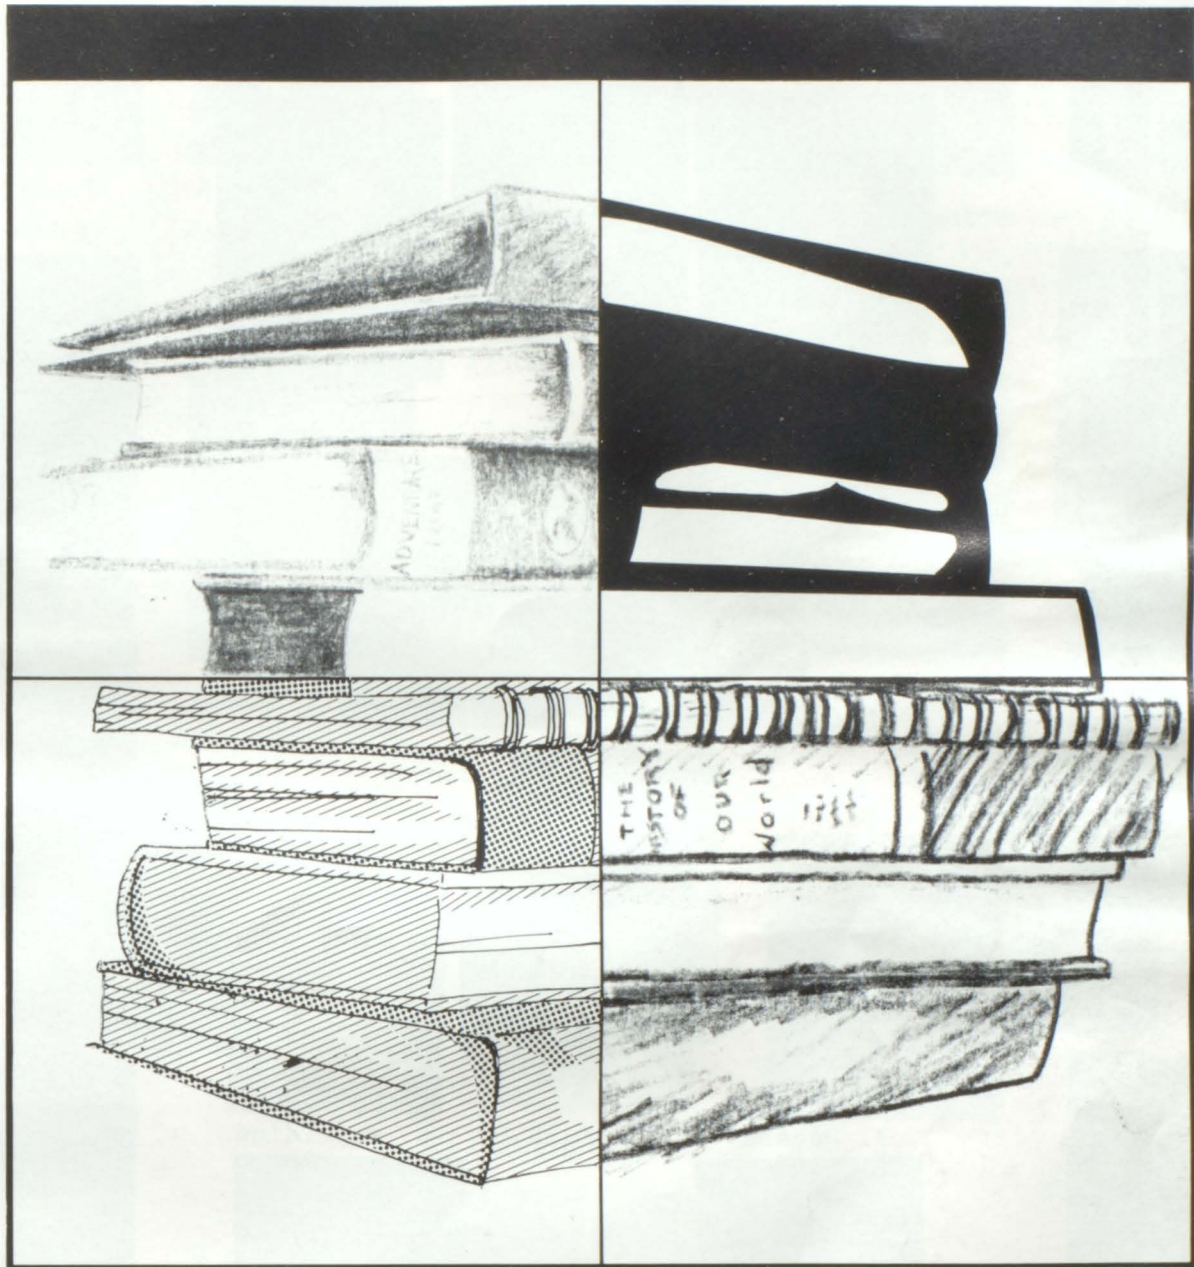

I remember where we used to swing,  
And thought the air must rush  
As fast as to the birds on the wing.  
Our spirits flew in feathers then,  
That are so heavy now  
Since our dear friend departed,  
And we often wondered how  
As we returned to school each year,  
I remember us saying:  
"Wish Theresa were here."

--Kelly J. Mastin

The class of 1985 will fondly remember Theresa Light. She would be graduating with us if not for a fatal bout with spinal meningitis in 1979. She was born on August 19, 1966 at Cedar Rapids, Iowa and then moved to Tenstrike in 1979.

The class of '85 will always remember the slumber parties she gave us, and all the other good times we had together. Her out-going, fun-loving attitude made school a better place for us and encouraged us to do the best we could.

Boys and Girls State activities are designed to teach about local, country, and state government. Students from across Minnesota organize the various levels and branches of government during an intensive week of learning by participating. A campaign and election result in the selection of a governor and other officers who serve out their week-long term, at the Minnesota State Capitol in the House and Senate chambers.

The Blackduck American Legion select a representative for Boys State following individual interviews while BHS teachers vote for the Girls State delegate. Academic and social abilities play an important part in the selection process. Choosing one Blackduck student for each assembly is not an easy task and those who do finally represent BHS in St. Paul have earned a very special honor indeed.

## SNOW WEEK

One of the goals of this year's Student Council was to make the 1985 Snow Week bigger and better than ever before. To do so the Student Council began planning two months before Snow Week was to begin. Numerous ideas were discussed and the Student Council tried to pick the ones that the students would enjoy most.

The theme and slogan, "Return to Camelot", which was depicted on the buttons the Student Council sold, was adopted for the 1985 Snow Week. Many of the week's activities tied in with this slogan.

The week started out with Monday being Camouflage Day. After school the Decorate-A-Hall Contest was held

with the sophomores coming away with first prize. Snow Sculpturing, which started over the weekend, continued on Monday as well.

Tuesday was Celebrity Day with the students dressing up as their favorite Celebrity. The students were honored to have Mr. Guy Doud speak at an assembly program that morning. After Mr. Doud's speech he received a standing ovation along with many compliments and handshakes.

Wednesday the halls of Blackduck High were invaded by students dressed as nerds. That day also marked the beginning of noon hour sleigh rides which continued through Friday.

Students and Teachers switched roles as the students tried their hand at teaching a class.

Thursday was Occupation Day with a pep-fest held that morning. At the pep-fest students were entertained with a skit by the King and Queen candidates. The cheerleaders performed a special routine and the first graders did a special number for the High School. Awards were handed out for the Snow Sculpturing Contest. The eighth grade won first place while a special award was given to the people who built a magnificent Ice Castle.

Friday was Maroon and Gold Day and the coronation took place that afternoon. Greg Gruel and Carrie Kjellberg were crowned King and Queen and Mike Todavich and Janie Sorheim were crowned Prince and Princess. That evening a Large turnout of the students danced the night away with the sounds of Power Play.

Many students participated in the week's activities and the Student Council was complimented on an outstanding job. In addition, the School Board passed a motion commending Mr. Merrill, Student Council Advisor, for a job done well.

FOOTBALL

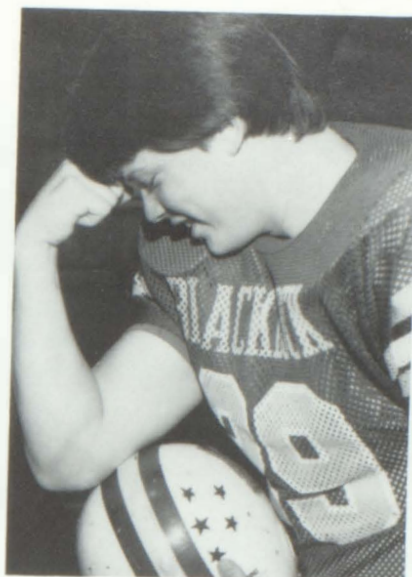

The Blackduck Drakes football team had another successful season. They won the North Star Conference and were undefeated in the regular season for two consecutive years. They finished with an 8-1 record, losing to Deer River in the Section 6B quarterfinals.

The Duck exhibited excellent sportsmanship throughout the year. Although thirteen seniors will not be returning, the Duck is looking forward to progressing even further next season.

CONGRATULATIONS!!

The 1984-85 Junior High Football team would like to congratulate Mr. Pat Kovar and Mr. Steve Bechtold on their excellent coaching job and the Blackquill is honored to pass on their compliment.

## " Duckling "

G. Greuel, S. Sonnek, L. Ford

"Duckling" staffers write for the Blackduck American, reporting on school activities. Why? Mrs. Pat Zea explains, "'The Blackduckling' not only informs the public of school events, it also provides students with experience in writing different articles."

"The Blackduckling" challenges the student and advisor alike. "Being advisor for the "Duckling" can, at times, be the cause of grey hair," reports Advisor Zea. Meeting deadlines may be difficult but many benefit from knowing about BHS.

This year's Booster met with a number of improvements. To most of us, the biggest improvement has been the increase in the number of productions. There is also more information, a changed format, and a lot of dedication. We all appreciate the efforts of the Booster staff and hope they will continue to bring us the best.

# Quick With The Answers

Blackduck High School participated in competitive Knowledge Bowl for the first time in 1984. The 12 students scoring highest on a series of tests separated into two teams. Although it took some time to get used to the rules, the teams did well in regional competition. Blackduck's first team took first in regions and the second team took fourth, one point away from going to state competition.

## Talk About Class!

In the spring of 1984 the Declamation team, under the guidance of Mrs. Moon and Mr. Kovar, captured second place in both District and Regional competition for the third consecutive year. Blackduck was represented by five individuals in the State meet.

Declamation takes a lot of hard work as any team member will tell you, but it's worth it. According to one member "We get a lot of fun and friendship out of it. Nowhere else can you work so hard and have so much fun at the same time."

The Future Homemakers of America is an organization with the goal of helping youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation, and community involvement.

Through this group, teenagers learn to focus on individual growth, preparation for family life, development of occupational skills and careers and participation of youth in today's society.

The 1984-85 FHA had a very successful year. Added to the long list of past accomplishments are: The Healthy Babies Week and Informational Seminar with special guest speakers, the Action Activity Events and FHA Week.

Thank you Mrs. Deno, Mrs. Floura and Mrs. Schiotz for such an exciting year.

The student council plays a major role in the school, holding dances, running the concession stand, co-ordinating Sno-Daze, doing events for charity, having contests, and all-around trying to make the school year a little more bearable.

Being a student council member is a good experience. We learn a lot about how government works, but mostly about working with other people. Sometimes it can be difficult working noon hour in the concession stand, having to make up a test later because of a meeting, but all and all it is worth it.

We hope we have made your year a little more exciting.

# A Teacher Of The Year

E

B

Each year the Blackduck Education Association honors a local teacher who has demonstrated outstanding qualities as an instructor. The Teacher of the Year Program is designed to express appreciation for the inspiration and leadership such a teacher provides colleagues and students alike.

Mr. Gerry Sonnek, teacher and Athletic Director, has been at BHS for 20 years. For his remarkable contributions as instructor, coach, and class advisor, Mr. Sonnek was honored as the 1984 BEA Teacher of the Year!

MARIT RIST HAUGER is from Lørenskog, Norway. Marit is staying with Mr. & Mrs. John Barclay and has so far enjoyed her stay in America. When asked what she likes best about Blackduck, she replied, "People. They've all been so very nice to me."

Marit has one brother, 22, who presently lives in Duluth, and one sister, 20, who lives in Lørenskog. Marit misses her family the most, but misses her dog, too! The first thing she plans on doing when she returns home is to tell her family all about her experiences in America and to eat Norwegian goat cheese.

She says that the school system in Norway has much more freedom than BHS has, but Marit likes the students and the teachers at Blackduck, however. She participated in basketball and enjoys Phy. Ed. class the most.

WE ALL WISH MARIT THE BEST!!

## Exchange Students

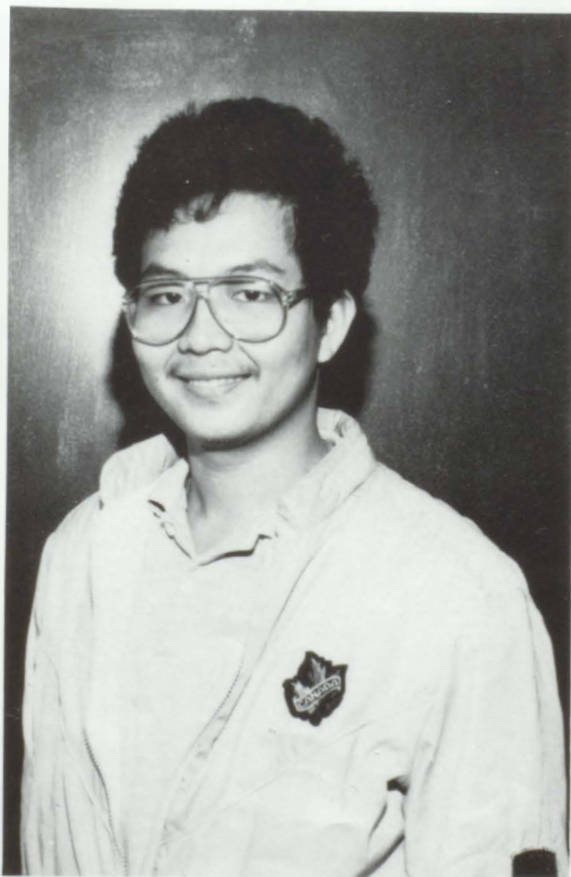

TERRY NGAI is a foreign exchange student from Hong Kong that is staying with Mr. & Mrs. Dennis Page. Terry has one brother, 23, and one sister, 21, that both attend Canadian colleges.

The first thing Terry plans on doing when he gets home is to tell his family about his experiences in America. He likes the people in Blackduck because "everyone seems to know everyone else and the people are so nice to me."

Terry says the school system in Hong Kong is very different from BHS. "In Hong Kong," says Terry, "we have to wear uniforms and keep our hair short."

Terry misses his family the most, but misses his friends also. He likes the teachers at BHS because, as he says, "You can really get to know the teachers here better because they are so friendly." He enjoyed playing on the basketball team and likes bookkeeping the best.

GOOD LUCK TERRY!!

# "Aria Da Capo"

This year's one act play was entitled "Aria Da Capo", named after a musical term meaning 'the beginning is the same as the end'. Under the brilliant and imaginative direction of Mr. Kovar, the play presented its story in an allegorical form. Pierrot and Columbine portrayed the frustration experienced by intellectuals with the trivial nonsense they are faced with daily. Thyrsis and Corydon represented everyday citizens. They are maneuvered into a broken relationship by Cothurnus, the Masque of Tragedy.

The play placed first in sub-district competition and third in district. It was also presented to the BHS Jr. and Sr. High. Thanks, Mr. Kovar, we had a great time!

OUR FRIENDSHIP

Everyone says friends aren't forever  
But we know better  
Because our friendship will last and  
last  
We will watch the days and years pass.

Look at how long we've been friends  
Our friendship will never end  
We've been friends for so long  
That people wonder how much longer this  
can go on.

People will never rest  
Until we've passed their test  
They want us to end what we have made  
But if I lost you, I'd never be the same.

When will people understand about what  
we've got?  
Don't they see that we've got a lot?  
Maybe they will understand  
--If they can....

Everyone says friends aren't forever  
But we know better  
Because our friendship will last and  
last  
We will watch the days and years pass.

--Cheryl Olafson.

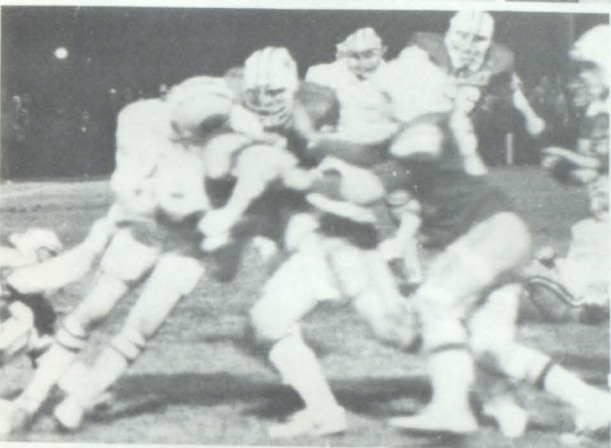

People so seldom  
say  
I love you  
And then it's either  
too late or love goes.  
So when I  
tell you I love you,  
it doesn't mean I  
know you'll never  
go,  
only that I wish  
you didn't have to.
