THANK YOU YEARBOOK STAFF

I would like to take this opportunity to thank the following yearbook staff members without whom the book would never have been published. Each year many students commit to working to put together the annual yearbook publication and this year was not an exception. However, the following list of students created their own pages and spent time after school and weekends creating the pages of their fellow yearbook staff that failed to complete their pages. It is with great pleasure that I write those student's names that went the extra mile to complete this year's book. Beginning with the seniors, the following students have shown that they have what it takes to be leaders:

**Cayla Houck
Fanchon Burns
Twyla Notsch
Charly Pellinen
Anna Pomp
Krystal Smith**

**Anna Falk
Tricia Nord
Donna Allen**

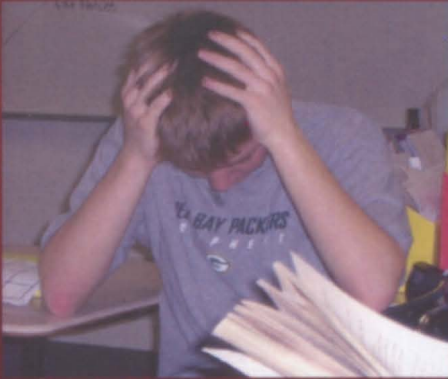

**James Gannon
Kelsey Tjepkes**

THANK YOU, seniors, you will be missed! AND, a special thank you to the juniors and sophomores, I hope to see you as part of yearbook next year. Have a great summer all!

ART BY DENNIS BANKS

The young do not know enough to be prudent, and therefore they attempt the impossible, and achieve it, generation after generation.

Destiny is not a matter of chance, it is a matter of choice. It is not a thing to be waited for, it is a thing to be achieved.

Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has.
