Remember her smile.
Remember her laugh.
But most of all, remember
her love of the small
things. Like the moth :)

In a land full of cheerios...
be a fruit loop!!

-Emily

Remember When...

She had a funeral for a moth

She would pretend to be bad at basketball so Tony would help her.

She wrote a poem about her pet skunk...

She always had a quote for the day.

She played Ghost in the Graveyard with us, and get bored so she'd sit and stare at the stars

She danced to her own songs constantly

She came back from the Renaissance festival with a fake nose ring to freak out her mom

She played her recorder in third grade

She'd pretend to sleepwalk to freak out her friends

She was the bravest dumb chicken in speech

She and Elonna made up a "spell" to scare everyone at Anne's sleepover.

Remember how she **LIVED!**

Speak Out

By Stacey Blevins

*It may not stop the hunger,
Or bring mankind world peace,
It may not make the poor men rich,
Or cause the wars to cease.*

*It may not calm the roaring seas,
Or stop the poverty,
But the power of one voice can change the world,
And that's all it needs to be!*
