- In ten years, Amber Affield will be living in Nebish on a pig farm with six kids running around eating mini cookies telling them, "Kids! Git-r-done!"

- In ten years, Charles Biberig will have graduated from college early and started working as an engineer, while playing in the NBA with the crowd name "Chaz Michael Michaels". His hobbies will include yelling at spiders, parkouring over everything all the time even in the rain, and randomly yelling "27". He will get married and have many isosceles children.

- In ten years, Justin Bryant will be driving bus with his grandma and listening to Christa Hanson and Amber Affield sing to him.
- In ten years, Shannon Budde will be married (on February 2nd) to Cole Goggeye, taking care of their first child Tim, patrolling the city for danger, and on her late night stake-outs -- eating Cheezits while listening to the Spice Girls to get her pumped up for some ninja action.
- In ten years, Zeke Burtard will be living in Switzerland, training for the Olympic swim team, and starring in an Axe hair product commercial.
- In ten years, James Campbell-Eckdahl will still be living in Minnesota doing all of my classmates' taxes and spending my free time driving my 1969 302 boss Mustang.

- In ten years, Mollie Ann Exner will be playing every sport possible in the Olympics as her husband and two beautiful twin daughters cheer her on. She will also be playing on a beach volleyball team with Brandon Beck.
- In ten years, Amanda Fernandez will be a well-known Californian lawyer, married to a Cheezit fatty, and have a child named Itod. She will be drinking Pepsi, bumming off friends on her days off, and jammin' out to "It's Magic" while driving recklessly to work every morning.
- In ten years, Tisheena Freyholtz will still be trying to "make it big" while living in the middle of nowhere with her family and her spoiled rotten pug that runs the house.

- In ten years, Kaitlyn Leen will be living in Tennessee, riding her nag around, stealing people's juice, and playing games like UNO with strangers.
