

We need your input on "What thoughts do you have on the School District utilizing ESSER III federal stimulus funds to build a new stand-alone technical education building located adjacent to the school?". To gather your feedback, we're using a tool called ThoughtExchange. All of our voices matter, so your participation is crucial and valued.

You'll be asked to respond to one open-ended question, consider and assign stars to some of the ideas shared by others (20 to 30 is ideal), and learn what's important to the group.

Your thoughts and stars are confidential. You can come back as often as you'd like to participate and, in fact, we ask that you do come back to star some of the new ideas shared since you first participated. The ratings will help us understand the most important areas to focus on.

If you need technical help, please call ThoughtExchange at 1-800-361-9027 ext. 4 or email [help@thoughtexchange.com](mailto:help@thoughtexchange.com)
