

Dear Parents

Blackduck Public School is offering a 3-Year-Old Program for the 2022-2023 school year. It is for students who are three years old on or before September 1, 2022. The goal of this program is to help preschoolers enter school with the skills and behaviors necessary to be successful in the future. The children will experience early literacy, math, science and social studies through structured teacher-led activities and independent hands-on exploration.

The 3-Year-Old-Program is offered two full days per week from 8:10 – 4:00. **There is a charge for this program. The fee is charged according to annual income.** Transportation **is not** available until the student reaches the age of four years old.

Our school provides healthy meals each day. Your child may qualify for free or reduced meals. Students who qualify for reduced-price meals will receive free lunches and breakfasts.

If you have any questions or are interested in registering your child, please come in to fill out a registration packet or call the Blackduck Elementary School at 218-835-5300.

Sincerely,

Blackduck Public School
