

Science Club

Designed for students in 3rd through 5th grade, Science Club brings the fun into science! Education enveloped in fun helps to instill a future interest of careers in science.

Members will participate in a variety of hands on projects in an 11 week course starting the week of September 18th.

Fall semester topics include:

- Catapult Construction and Design
- Hovercraft Science
- Plant Growth in Response to Tropisms
- Chemical Reactions
- Discrepant Events

Science Club at the Blackduck location will run Thursdays from 4:30-6:00pm

Price of Admission - \$75.00

Scholarships are available, contact the Headwaters Science Center for more details.

A Weekly Layout is provided on the back side of this sheet.

Sign up early as spots are limited! [Call the Headwaters Science Center at 218-444-4472](tel:218-444-4472) to reserve your spot!

Brought to you by the Headwaters Science Center and made possible through the: *Minnesota Department of Education Legislative Award*
