

Blackduck Schools Activity Schedule Quick Start Guide

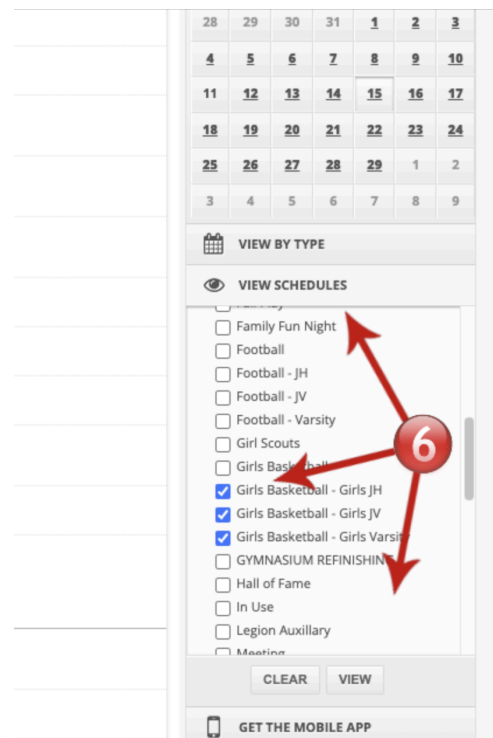

The Quick Start Guide will show you the features that you as a user will have available in order to find the information you need. Let's get started!

The **Calendar** can provide an instant view of all activities on any given day. Other features:

1. Click on any date within the month to see the activities for that day
2. Jump to any month
3. Locations can be links that open to printable maps and directions to that location, along with other relevant information, like bus leave times for away events
4. View Schedules for individual activities. Choose only the ones you want to see and subscribe to the calendar(s) for those activities. (See #6 below for details.)
5. You can set up automatic email and/or text reminders before any activity or for any schedule changes.

6. You can view and subscribe to schedules for an activity or multiple activities. Select **View Schedules**, then select the activities you wish to see, then hit **View** to get current schedules for any activity. (See #7 for details on how to subscribe.)
