Then click on Blackduck Public Schools

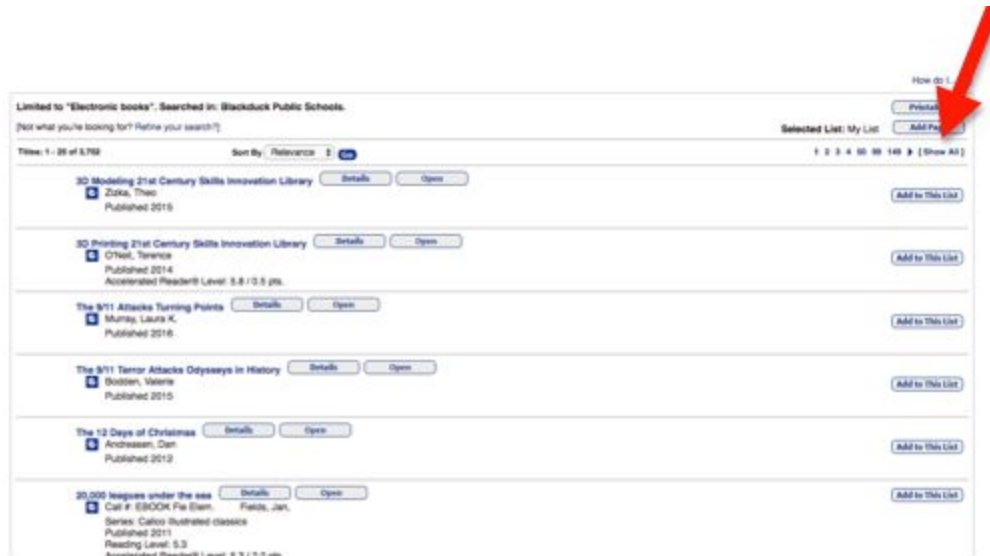

Next click on the "Catalog" tab at the top:

Then change the Material Type to: Electronic Book (ebook)

Then simply press Enter/Return and the page of many pages of ebook records will appear on your screen. To see all 3,700+ click on "Show All" [Or select Electronic Book with a keyword of your choice such as "Christmas."]

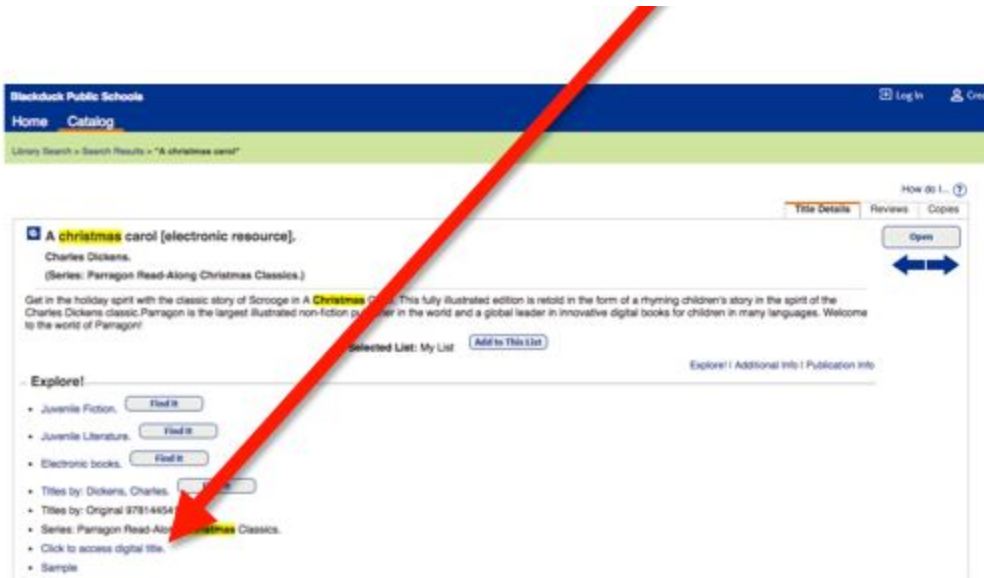

We have three providers of ebooks.

One requires no username/password and those books will open right away by clicking on "

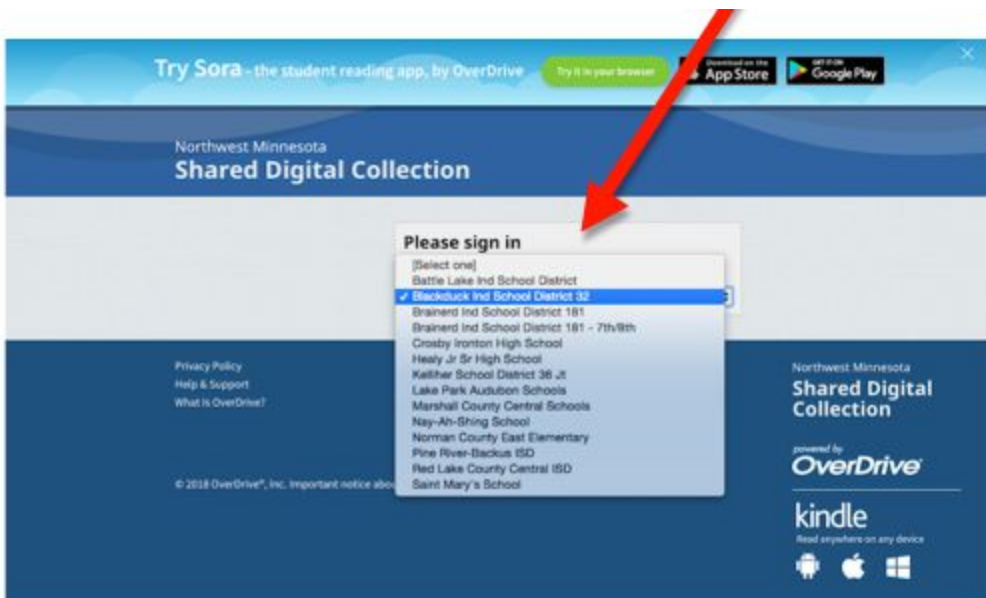

- [View this content on BiblioBoard.](#)

The other two will require **your username: your complete Blackduck School email address and a password: drakes**

Simply click on "Click to Access Digital Title."

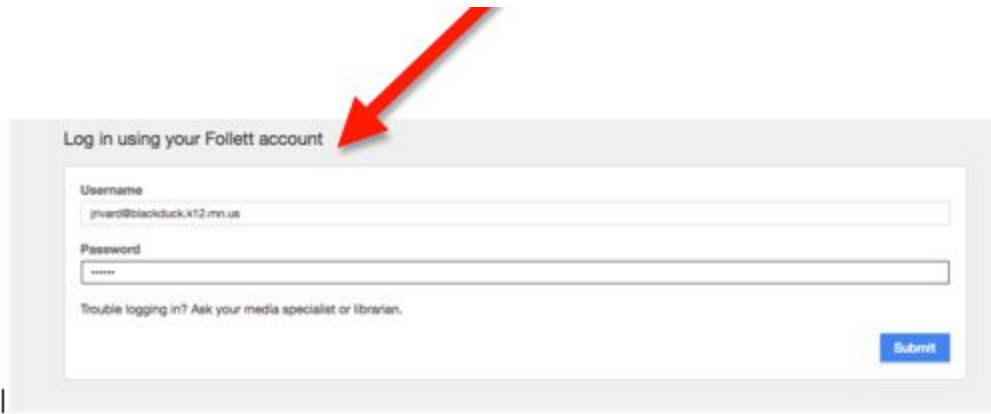

Select Blackduck:

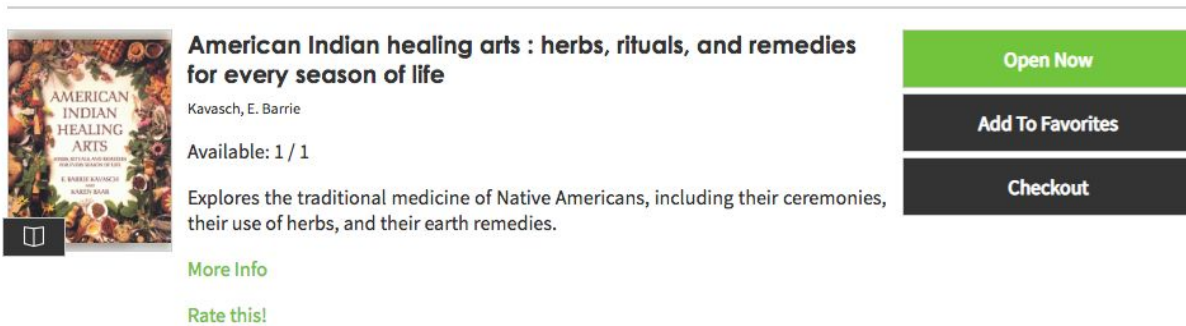

And then log in as YOU using your complete Blackduck email address with drakes as the password. (If you had older login credentials, please note that it has been changed to this to

facilitate the entire school ease of checking out ebooks.)

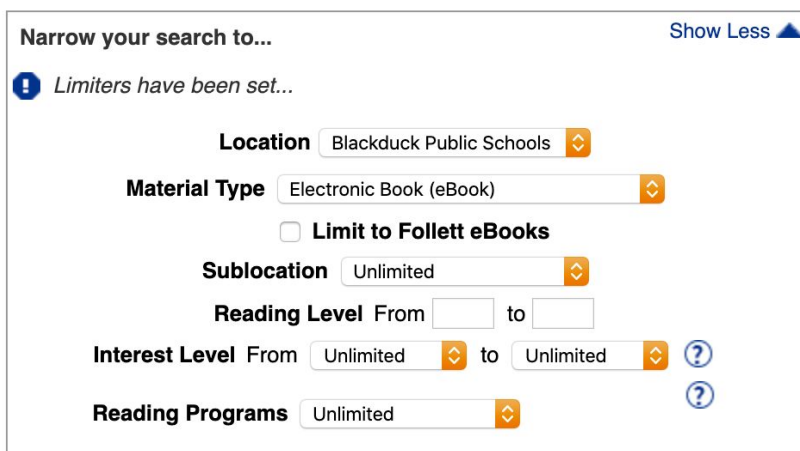

You can simply open them sometimes or checkout. The book will disappear off your record in three weeks if you don't renew it.
