A. Good Things Happening

On Wednesday, February 25th, 27 band and choir students attended Section 8A Small Ensemble contest in Bagley. Students are judged and receive a score based on their performance. A score of 35-40 receives a superior and a medal. For an excellent rating of 28-34 points, they receive a certificate of excellence. For nearly all instrumentalists, this was their first time attending the contest. Three instrumental ensembles took home Excellent ratings, and three instrumental ensembles took home Superior ratings, with two of the groups receiving a full 40/40 score! Four vocal ensembles performed, and all four ensembles received Superior ratings!

Thanks to generous donations from the Fire Department, the Madden McKean Foundation, an anonymous donor and our booster club, the golf team was able to purchase a golf simulator. This will open up practice space for our growing golf team. This will also provide better practice for our kids by being able to see their swing and ball flight before we are able to finally get outside for the season. Thank you to everyone who donated!

Alyssa Lyons is being awarded Distinguished Graduate of the Year by Western Governors University. She will be getting the award in August.
